# Research and Educational

**RPRG** (<https://rprg.wisc.edu/>)

The screenshot shows the RPRG website with a dark blue header and a cityscape background. The main content area is divided into three columns: 'THE RESEARCH PROCESS', 'RESOURCES', and 'CAMPUS RESEARCH CORES'. Each column has a brief description of its content.

(<https://resources.research.wisc.edu/>)

The screenshot shows the 'Directory of Resources for Researchers' website. It features a search bar with the text 'Search by equipment, service, contacts or keywords' and a 'Search' button. Below the search bar, it lists 'including 60 cores : 330 resources : 229 services ... and more being added'. At the bottom, there is a note: 'Be informed of core service updates and new shared resources' and a link to 'Subscribe to quarterly summaries from the Office of Campus Research Cores'.

**ComETS** (<https://comets.wisc.edu/>)

The screenshot shows the ComETS website with a red header and the ComETS logo. The main content area has a navigation menu with 'Home', 'About ComETS', 'Announcements', and 'Resources'. Below the menu, there is a paragraph describing ComETS as a grassroots network of UW-Madison teaching & learning support staff. There is also an 'Announcements' section with a link to 'October Flash Talks Recap - Canvas Conversations' and an 'Events Calendar' link.

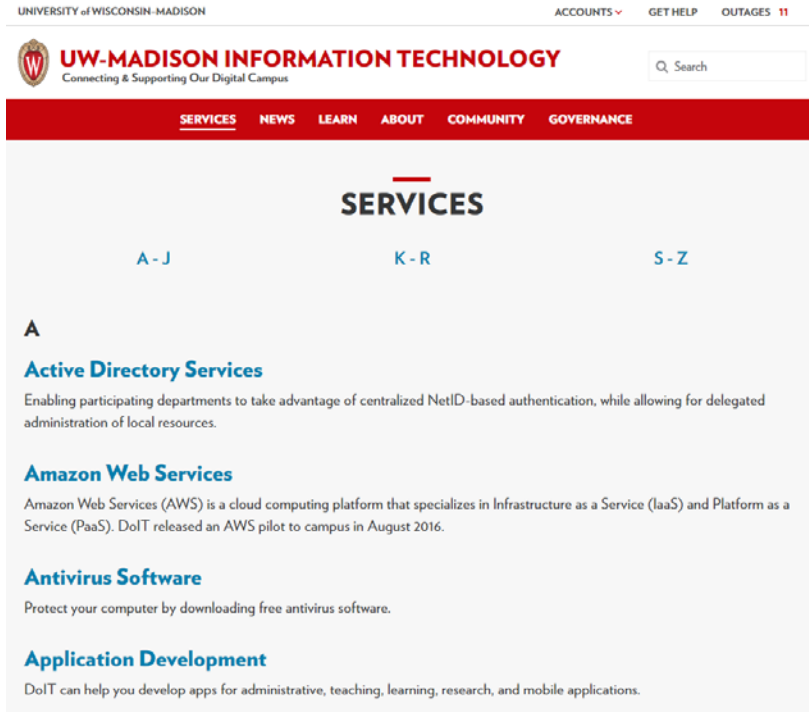

**MyUW** (<https://my.wisc.edu/>)

The screenshot shows the MyUW website with a red header and the MyUW logo. The main content area has a search bar with the text 'What are you looking for?'. Below the search bar, there is a navigation menu with 'Most Popular', 'A-Z', and 'Categories'. The 'Most Popular' section is active, showing a card for 'Diversity' with a 'Launch' button and an 'Add to home' button. Below the card, there is a rating of 5 stars (2 ratings) and a link to 'Details'.

# Technical and Email

## IT Services

(<https://it.wisc.edu/services>)

The screenshot shows the top of the UW-Madison Information Technology Services website. At the top, it says "UNIVERSITY of WISCONSIN - MADISON" and "UW-MADISON INFORMATION TECHNOLOGY" with the tagline "Connecting & Supporting Our Digital Campus". There is a search bar and navigation links for "SERVICES", "NEWS", "LEARN", "ABOUT", "COMMUNITY", and "GOVERNANCE". The main heading is "SERVICES" with sub-headings "A - J", "K - R", and "S - Z". Under the "A" category, there are four items listed: "Active Directory Services", "Amazon Web Services", "Antivirus Software", and "Application Development".

Q Search

**SERVICES**

A - J      K - R      S - Z

**A**

**Active Directory Services**  
Enabling participating departments to take advantage of centralized NetID-based authentication, while allowing for delegated administration of local resources.

**Amazon Web Services**  
Amazon Web Services (AWS) is a cloud computing platform that specializes in Infrastructure as a Service (IaaS) and Platform as a Service (PaaS). DoIT released an AWS pilot to campus in August 2016.

**Antivirus Software**  
Protect your computer by downloading free antivirus software.

**Application Development**  
DoIT can help you develop apps for administrative, teaching, learning, research, and mobile applications.
